

Video Packages

Standard Package

When you choose the Standard Package these are some of the services you receive:

Videographer will be there about 75 min. before the ceremony will start

Wireless microphone will be placed on the groom (and pastor/priest if necessary)

Two video cameras, with one videographer will cover the ceremony

At the reception these items will be covered, cake cutting, toasts, interviews/well wishes to the bride

The first 1 ½ hours of dance

We now shoot in 16:9 ratio or widescreen and HD. You will receive one DVD (standard definition, but wide-screen) with minor editing about 2 hours in length and a short 10 to 15 min edited version with highlights with music for background.

The base price is \$550.00 and on DVD.

Option 1

With the Option 1 Package you will receive everything in the Standard Package plus some coverage of getting ready and candid footage before the ceremony or about 2 to 3 hours more coverage, which will be edited for the DVD.

This Option 1 Package is \$600.00 and on DVD.

We are now offering HDV. If you would like to have your wedding on Blue-Ray it will be an extra \$150.00

We also can do a love story video for your reception which is \$150.00.

Please contact us to check if your wedding date, or event day is available or if you have other questions or would like to here about other options like love stories or slideshows
